IN RECOGNITION OF VETERANS FIRST FOUNDATION

Recipients of The Advocacy Award Granted by the Ohio Governor's Council on People with Disabilities

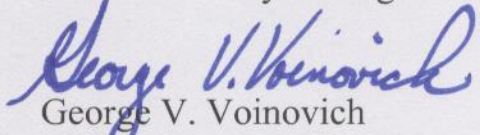

I am pleased to recognize the Veterans First Foundation as it receives The Advocacy Award granted by the Ohio Governor's Council on People with Disabilities at a ceremony taking place in the Ohio State House Atrium.

This award has been bestowed upon Veterans First Foundation for the support they have shown to U. S. veterans in obtaining whatever assistance the Veteran might need to improve his or her life. Veterans First Foundation is a nonprofit corporation that accepts donations of items such as clothing, mobility devices and beds, and redistributes them to veterans and their families. In some cases a veteran might need help in dealing the Veterans Administration, need funds to help cover living expenses, or might need assistance in building a ramp for increased mobility, -- Veterans First Foundation is there to help!

Veterans First Foundation makes the veteran FIRST and foremost in their mission. The fact that a veteran was a "brother or sister in arms" is the only requirement the Foundation needs for them to lend a helping hand to veterans and their families.

Congratulations to Veterans First Foundation as they receive this prestigious award and best wishes for their continued success in this worthwhile venture.
